**Contributory Health Service Scheme (CHSS)**  
**Schedule of Rates (SOR) - 2023**

१०८३

**EXPLANATORY NOTE:**

1. The rates mentioned in this CHSS SOR are the maximum ceiling rates. The respective Centres/Units should fix the rates payable to Hospitals/Labs, Specialists and AMOs, within the ceiling rates in SOR, depending on the prevailing rates at the respective CHSS station.
2. Any hospital found to be charging CHSS beneficiaries more than their rates for general public, will be derecognized from CHSS.
3. "Surgical procedure rates" shall mean and include the following:-
  - i. Operation charges (includes Surgeon's fee, Assistant's fee)
  - ii. Anaesthesia charges (includes Anaesthetist's Fee)
  - iii. Operation Theatre charges (includes Central Sterilization charges)
  - iv. Equipment charges
4. The cost of all dressing materials like bandages, Gauze, plaster and alcohol swab are reimbursable. Masks, drapes, gown, gloves, sheets, caps used during hospitalisation are allowed at actuals. The hospital should give the break-up of all materials used in the final bill. No amount should be collected from the patient for the above items. The list of **in-admissible** items under CHSS are listed under Explanatory Note Para No.16.
5. The hospital should prepare the bill in duplicate, one copy should be handed over to the CHSS beneficiary (patient) and the other copy should be sent to concerned CHSS accounts.
6. Original invoice should be produced by the hospitals for use of implants/mesh/stent. In cases of bulk purchase by the hospital, a copy of the original invoice should be attached with the hospital bill.
7. Hospitals **should supply the required medicines** (oral/injections/topical) **disposables** and **implants** during in-patient treatment and include the same in their final bill.
8. The approval of Competent Authority should be obtained before use of high value drugs (over and above Rs. 10,000/- per unit) except in cases of life threatening emergencies. The copy of original invoice of the drug should be attached with the final bill.
9. **Guidelines for use of imported drugs/implants:**
  - a) Use of imported drugs/implants is allowed only when similar item manufactured in India is not available.
  - b) The treating specialist should certify that all indigenous drugs/implants have proved ineffective and no substitutes having equal therapeutic value are available in the country. The Specialist should also record that the use of imported item is considered absolutely essential.
  - c) Whenever, more economical drug/implant of equal efficacy from reputed company is available, the cheaper option should be used.
  - d) Handling charges will not be allowed.

10. Prior approval of the **Competent Authority** has to be obtained for procedures/ investigations/items not listed in the CHSS Schedule of Rates.

11. Registration charges and admission charges are not separately payable under CHSS.
